

MEMO TO ALL DIVERS

RE: EQUIPMENT AND TOOLS

The following list is the minimum requirement for basic tools for each diver.

All staff are paid a weekly tool allowance which should be spent accordingly.

Your basic toolkit that should be carried at all times whilst diving on any job are:

- Bum bag / toolkit
- Shifter
- Plastic rule
- Carribeena
- Small lump hammer

Pacific Commercial has the bags available for you to purchase which have dual pockets and are self draining. These will cost approx.. \$88.00 plus GST.

Yours sincerely

ANTHONY HOPEWELL
Managing Director
